# Principal's Message

The passing of a school year is never just the passing of a ten month period of time. Over this year many "memorable moments" have been collected. Each of those moments is as unique and different for you as your fingerprint. These moments

*"Enjoy the memories, be proud of your accomplishments and look upon each day as it reflects the promise of a new and better tomorrow and a future of hope and prosperity."*

in time will bring different feelings and remembrances. As you grow older (and you will), look back at these moments and reflect on the thoughts and feelings they bring. Reflect on the changes that have happened for you. Think about your personal growth - have you reached the goals you have set for yourself? Have you taken your life in hand and made some plans about your future directions? Think about the dreams you had as a student at J. Percy Page in September of your grade ten year. Are they still important or have they changed, some or a lot. Are you living your life as productive as possible and contributing positively to yourself, your family and humanity? These are questions we must all ask ourselves.

Life is a series of moments and experiences. Nothing is guaranteed. Make the most of those moments because the one thing we know for sure is that you can never get them back. Our experiences form our ever expanding vault of memories.

Enjoy the memories, be proud of your accomplishments and look upon each day as it reflects the promise of a new and better tomorrow and a future of hope and prosperity.

May all of you have many moments of fun and laughter in your life and may you all continue to learn and grow as healthy human beings.

Congratulations and farewell to our graduating class. May your life be filled with many wonderful moments.

To all of you I will a safe and successful future.

Lou Yaniw  
Principal

# Assistant Principals' Messages

As I wish our graduates the best in their journey, I am reminded of a story I lesson I learned in 21st Century Leadership.

When a woman in a certain African tribe knows she is pregnant, she goes out into the wilderness with a few friends and together they pray and meditate until they hear the song of the child.

They recognize that every soul has its own vibration that expresses its unique flavor and purpose. When the women attune to the song, they sing it out loud. Then they return to the tribe and teach it to everyone else.

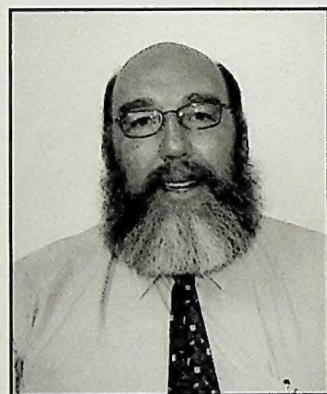

When the child is born, the community gathers and sings the child's song to him or her. Later, when the child enters education, the village gathers and chants the child's song. When the child passes through the initiation to adulthood, the people again come together and sing. At the time of marriage, the person hears his or her song.

Finally, when the soul is about to pass from this world, the family and friends gather at the person's bed, just as they did at their birth, and they sing the person to the next life.

This tribe recognizes that our evolution is through love and the remembrance of identity. We may not have grown up in an African tribe that sings our song to us at crucial life transitions, but life is always reminding us when we are in tune with our song and our purpose and when we are not. When we feel good, what we are doing matches our song, and when we feel awful, it doesn't. We all aspire to recognize our song and sing it well. We may feel a little warbly at times, but so have all the great singers.

I wish you all the best as you live with your purpose.

Mrs. Mather  
Assistant Principal

Congratulations to the Class of 02-03. As you walk out our doors for the last time, walk with confidence knowing you are ready for the next stage of challenges in your life. The last couple of years have been difficult for you with the underfunding that has increased the challenges we all face but you have prevailed by staying focused and maintaining the direction you needed to successfully complete your studies.

I thank all of you for working cooperatively with us. It has been a pleasure to watch the growth and maturity develop over the past two years. As you leave us I hope you have something to look back at with pride and something to look forward to with hope. Good luck with all future endeavors and please come back and share with us the new paths in which you have chosen.

## THE ENGLISH DEPARTMENT...MAKES A DIFFERENCE!

*"Tomorrow and tomorrow and tomorrow creeps in  
this petty pace from day to day"*

*William Shakespeare, Macbeth*

Just as Shakespeare's Macbeth understood, our tomorrows are creeping in again as we arrive at the end of another school year. Back in September, eager to greet students and to help them to explore all sorts of literary texts, (and, of course, assign all those great essays!) were a very keen group of teachers:

V. Arnold  
C. French  
F. Iftody  
C. Kemp

W. Mitchell  
L. Preece  
B. Sparrow  
P. Stein

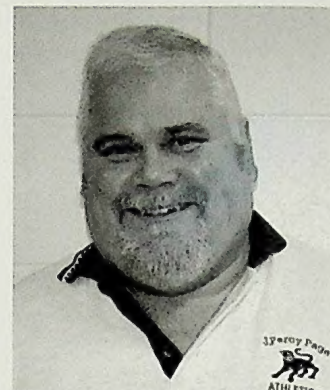

Our English students were busy this year in a variety of pursuits including writing some exceptional poetry for our Remembrance Day ceremony, exploring creative writing with Ms. Preece, and even entering and winning a number of poetry and prose contests. Our Grade 12 students worked hard to help Hamlet understand "this quintessence of dust," and through that they hopefully learned a little more about themselves. Most of our Grade 11 students wandered the Canadian prairie in poetry and prose, and our Grade 10's opened their eyes to the delights of mythology and Shakespeare.

To our graduating students, thank you for being a wonderful part of our successes this year! May the thoughts of others in the literature from our classes and the ideas that you have explored so well in all those high school essays be a part of your eyes tomorrow. We hope that you will continue to read and to reflect upon the words of others so that your lives may be truly enriched. Remember as you old friend Hamlet recognized, the readiness is, indeed all – the readiness for all the wonder your life can be!

## SOCIAL STUDIES IN 2002-2003

Along with the entire student body, the staff of the Social Studies Department celebrates the completion of another year at J. Percy Page High School. We are very proud of the reputation our students have achieved within the city and province on diploma exams and at various student conferences. We share many good memories with our students and wish our graduating class the best in the future. The department hopes we have had a role in opening the window of what life beyond high school has to offer.

In the classroom we have tried to keep you aware of current events and have provided you with the background material so you can make sound informed decisions in the future. We have tried to make the courses in Social Studies challenging and stimulating; many of you will remember trips to various drama productions and forums such as the Holocaust Symposium at the U of A. Classes have hosted a variety of guest speakers from politicians, to former teachers, all with a story to share. Perhaps you have attended the *Mahatma Gandhi Canadian Foundation for World Peace Youth Conference*, or participated in the Remembrance Day Ceremonies, or attended one of our tele-learning events. We have watched you grow, and I hope that you have watched us grow as well! Our goal is that in turn you will encourage others to examine new ideas and activities. Remember, we cannot all be the same.

If we have done our jobs properly, we hope that each graduate will take his or her place in being concerned and active regarding social issues. This year has seen many changes in the very fabric of our interactions among the people of our world. We trust that some of you will discover the solutions to problems that have eluded us in the past.

To those students who are leaving us, we will miss you. To those that are returning to us in September we look forward to sharing with you the experiences your remaining high school years have to offer.

Randy Montgomery  
Social Studies Department Head

## MATH DEPARTMENT

The Math department staff remained consistent this year with the return of:

Mrs. Elder (Head)	Mrs. Gannon
Mr. Belostotski	Mr. Irwin
Miss Beusel	Mr. Pysyk
Mr. Bihun	Mrs. Wilson
Mr. Bissoon	

New to the Department were:

Mr. Shrimpton  
Mr. McNicoll  
Mr. Popik

All members of the department worked cooperatively and enthusiastically in planning units and supporting students with their learning. The department once again staffed a study hall at lunch and after school in order to provide students with any extra help they needed.

This year saw a dramatic increase in the participation of Page students in the University of Waterloo Math Competition. Special mention goes to Craig Volkerink for earning a medal in the competition.

With next year in mind, the department wishes to extend its best wishes to Mr. Bissoon and to Miss Bessel as they will both be getting married over the summer. Miss Bessel will return in the fall as Mrs. Mosen. We also will be saying goodbye to Mr. Belostotski and Mr. Shrimpton, who will be leaving for other teaching positions. Mr. Popik will be leaving for some "R and R" in Australia.

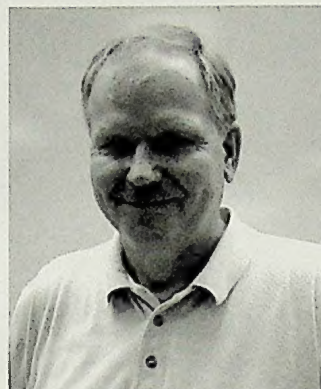

We also wish the grade 10's and 11's a restful summer, as we look forward to their return in September. To the grade 12's we hope that we have instilled in you a love for learning. We encourage you to pursue challenges and to critically analyze situations that you will be faced with in the future. Best wishes to all of you!

*"Do not worry about your difficulties in mathematics;  
I can assure you that mine are still greater."*

## SCIENCE DEPARTMENT

2002/03 was another good year for the Science Department at Page. Our teachers at the beginning of the year included Mr. Adams, Mrs. McDonald (Ms. Beesley was married), Ms. Benedik, Mr. Buxton, Mrs. Huculak, Mr. Maradyn, Mr. Mosen, Mrs. Panylyk, Mrs. Sedens, and Mr. Wynn. At the beginning of semester two, we were happy

to be joined by Ms. Page and Mr. Popik.

In addition to the fine accomplishments of many of our students, I would like to particularly recognize Emily Pawliuk for being selected to participate in the W.I.S.E.S.T. summer research program at the University of Alberta. I hope that our students will look back on the year fondly, will take pride in their accomplishments, and will have formed many vivid memories upon which to reflect in the future. To all of the "Class of 2003" I wish the best of luck, and great success in the future. To those returning to Page in the fall, I hope you have a wonderful summer and look forward to working with you again next year.

Student's union started the year off by organizing a "Western Welcome Month" barbeque and a line dancing fun lunch. A successful Monster Munch and Mash Halloween Video Glow Dance took place at the end of October when students received a free slice of pizza with the purchase of their dance ticket. This dance was recorded as being one of the biggest dances in the past few years. Student Union members also volunteered at the Patch Place Haunted House located at Millwoods Town Centre. Participation in other Halloween events such as the Fashion Show, Great Gumball Find, and the pumpkin emptying contest were also a great success.

As we began get ready for the holiday season, Page participated in the "Adopt-a-Family" campaign organized through Patch Place to assist families in need throughout the community. Students brought in numerous items for the three families that the school adopted. Candy grams were also sold throughout the month of December and a successful winter talent show was held during lunch in the pit on December 19th and 20th. To finish off the last week of classes in January before the dreaded exam week approached, A Pajama Day was organized to blend in with that all-night studying mood.

Student's Union invaded the month of February with love arrows as their romantic theme. Roses and Kiss-O-grams were on sale during the week of Valentine's for that special someone. Students "Put on the Ritz" for Valentine's Day and enjoyed a formal dance in the pit at lunch. To end the month of affection, a "Post-Valentine Glow Dance" was held on Friday, February 21st where students gathered friends and even guests from other schools to attend this semi-formal event.

During March, students enjoyed a "Pot of Gold Search" as well as a "Lucky Charms Eating Contest". A Blood Donor Clinic was held on April 24th. The Spring Talent Show was held on May 1st and 2nd in the pit. Student's Union also focused on the severe effects of drug and alcohol abuse by inviting ABSOLUTE, a band from Ontario, to share their inspirational performance on this subject to the student body.

We stand ready at the foundation of our mountain. The path to this point has so far been fraught with twists and turns, and these will only become more common as we go on. However, the students of J. Percy Page has the advantage of attending a school that has taught us more than just the curriculum for the past year.

J. Percy Page has allowed us to live, learn and love every day within its glass walls. It is fairly safe to say that everyone will remember the moments...the talent shows, pit dancing and holiday fun. We will remain forever fond of the morning announcements, the period two pep rallies, and the delicious cafeteria food.

Notwithstanding, we will remember the people in years to come. From the teachers and staff who helped us when we needed help, to our friends who provided endless hours of fun and laughter, to those people that we spend hours with doing extra-curricular activities.

Everyone will remember the cheers for the sports teams, the incredible dancers and singers, those who put themselves up on the stage for our entertainment; the people who worked so hard for this school for the past year.

Thank you for always being enthusiastic about SU events. Thanks to the teachers who strive to help us succeed. Thanks to the council for being dedicated and wholehearted this year. Most of all, thanks to J. Percy Page for helping us to learn, grow and live all at once.

J. Percy Page has brought us this far, and it is now our responsibility to scale the mountain.

## Barb Tarbox

*Barb Tarbox held back nothing when describing the effects that smoking and the resulting cancer had on her body and her life.*

When doctors diagnosed Barbara Tarbox with stage-four lung cancer in September 2002, she had been smoking since she was 11 years old, in the seventh grade. Barb did what no anti-smoking ads could; she spoke of her real life experiences, using her own cancer-wracked body to tell the dangers of smoking.

Barb spoke at numerous junior and senior high schools throughout Canada, sharing her story with over 50,000 people. We were honored to have her at our school, and there was not a person who came out of the gym that day that wasn't touched by her crusade to keep our generation from making a very ignorant decision.

Barb Tarbox died on May 18, 2003 at the age of 42, leaving her husband Pat and 10 year old daughter Mackenzie.

**"I could sit on my couch and I could cry and feel sorry for myself. Or I could help change the life of another. And by God, I'm not standing still."**

## Zev Kedem

Zev Kedem, one of the last remaining Schindler Jews spoke at the school and shared his touching story with us.

As an 11-year-old boy, Zev Kedem was one of the 1,100 Schindler Jews whose life was miraculously saved by German industrialist Oscar Schindler. When Germany invaded Poland in 1939, 5-year old Zev Kedem and his family fled the Nazis, but were soon captured and taken to the Krakow Ghetto with 30 000 other Jews. Through the love and loyalty of his family, Kedem escaped Nazi soldiers on many occasions, but was separated from everyone he knew in the process. "Little did I know then that this darkness that surrounded me would surround me for six years."

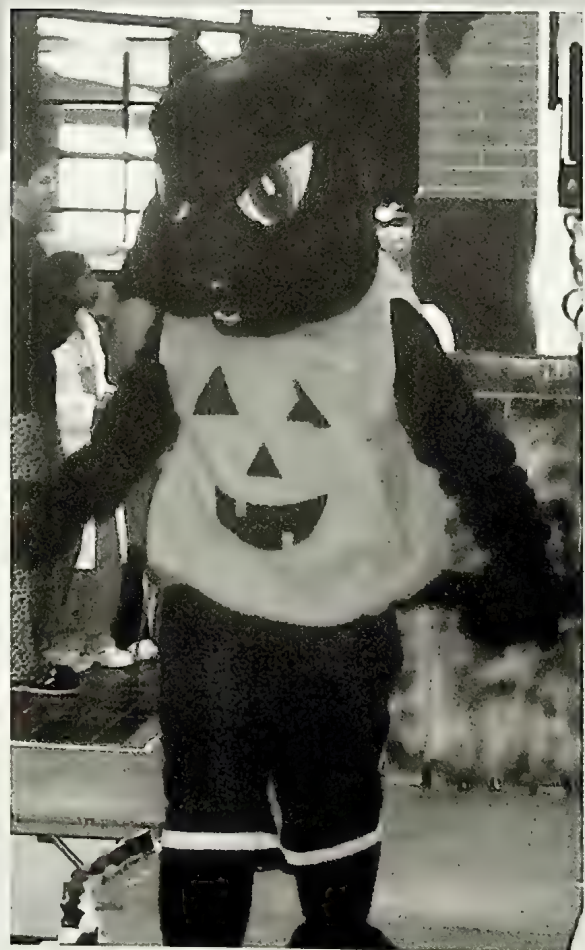

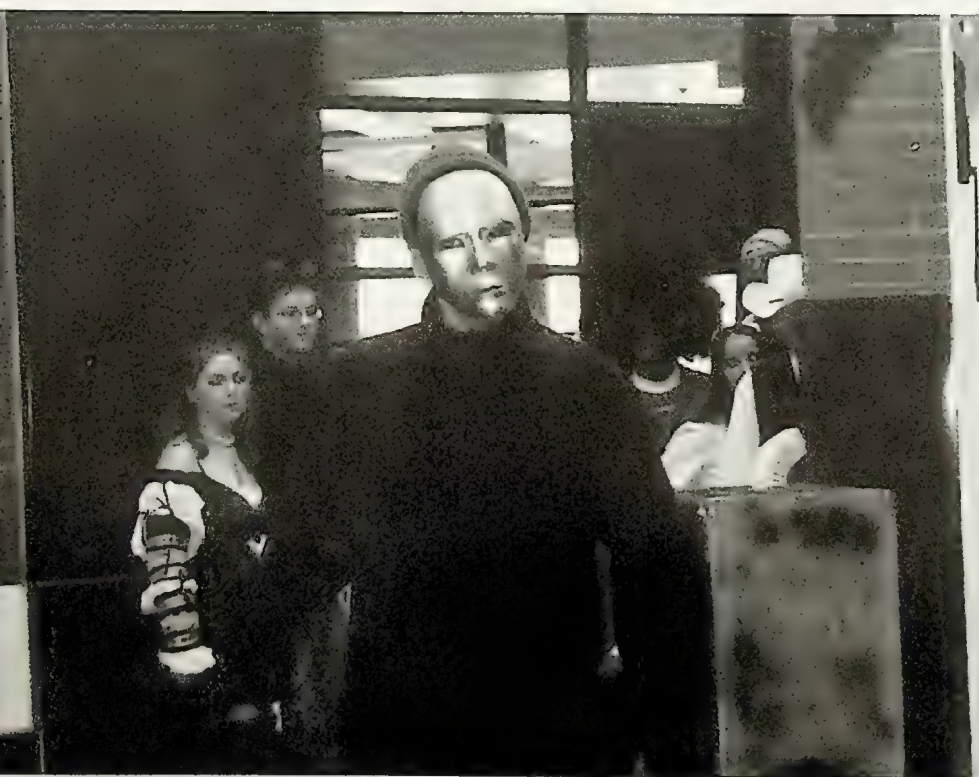

After passing through many concentration camps, 10-year old Kedem learned he had been selected to work at Oscar Schindler's factory, and called it the "most wondrous of plans to create a fictitious factory in Czechoslovakia." Oscar Schindler, a German member of the Nazi party eventually saw Jews not as slave labour, but as mothers, fathers, and children, exposed to ruthless slaughter. He operated his factory under the guise of an armament factory for Germany, but employed 1200 Jews to keep them from certain death in the hell of death camps.

*Zev Kedem shares his moving story with J. Percy Page students and staff. Kedem is one of the last remaining Schindler Jews.*

This past year has been one which will be remembered by all grade 12 students. The moments that we hold on to will carry on with us for years to come. For me, this year was memorable because of the people I had the opportunity to know. While I remember some of the better days here, I can't help but think of the people who supported me all these years. My family deserves much of the credit for their support. I'd like to send my best wishes out to the graduates for whatever the future holds. God Bless.

## Sukhdev Dhaliwal

It was great being at J. Percy Page for two years. I would like to thank all my teachers, family, friends and others who have helped me in my studies. Special thanks to Mrs. Chisholm as she has helped me to learn English since I came here. When I came from India, I only spoke and wrote a little English. I am really thrilled that I have learned English so that I can communicate with other people.

I want to also say thank you to my teachers for putting up with me and teaching me all the things to help me with succeeding. Have a great life and find your place in the world.

## Sarah Evans

The only advice I really have for everyone is if the end of high school rolls around, or you've just turned another year older and you still don't know what to do with your life, don't sweat it. It's not the end of the world. Who ever said you had to have everything figured out by a certain time? No one should have, so relax! And, for anyone I know and might not see after high school, good luck in the future times to come! There's no point in mentioning all my friends and those important to me because you should know who you are. Love you all! C-ya! ♥

It has been a fun, often frustating but rewarding journey. I'd like to thank those who helped me along the way: family, trustworthy friends, and selfless teachers. They know who they are. This among other things is what I have learned: "To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends... to find the best in others; to leave the world a bit better... to know even

one life has breathed easier because you have lived. This is to have succeeded." - Ralph Waldo Emerson

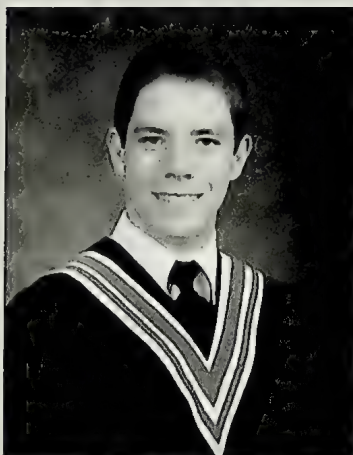

## Reem Skeik

If there is anyone I forgot, or anyone who's name I spelled wrong I apologize, I kind of slapped this message together at the last minute. I don't

really have any words of wisdom, so... Drink your school, stay in drugs, and don't do milk. I got mail! Yaaay!!

## (Panthers Working with Edmonton Residents)

Page POWER's inaugural year was a great success. The student-led group designed to help members of the Edmonton community held several awareness and fundraising events throughout the year. In early October, the school participated in the Coats for Kids Campaign where warm winter jackets were collected for the less fortunate. After managing a concession stand at the junior high feeder school volleyball tournament and collecting donations from the student body, a total of \$500.00 was raised to help Bissell Centre Programs. Throughout the months of October and November, the group successfully collected 15 boxes of books for the Youth Emergency Shelter.

Front Row (L to R): Christine Jeethan, Kate MacDonald, Craig Volkerink and Hollie Bihuniak.

Missing: Kristen Niles and Nicole Hansen.

In December, a competition was held among advisor classes to see who could collect the most items for the Food Bank. Prizes were awarded to the top three classes. First prize was awarded to Ms. Stein's class who was treated to a pizza party, second prize to Mrs. Elder's class and third prize to Ms. Vandale's class. Over 1800 items were collected to help make the holiday season a little brighter for Edmonton citizens.

February was an exciting time as Page POWER participated in the Couch Potato Charity Challenge at Millwoods Town Centre. The team, Page POWER Superslackers, collected pledges from teachers, family and friends and then participated in a decathlon of events. The team won silver in the munchy relay and couch hurdles. Their hard work at eating bags of salty potato chips as fast as possible and answering TV trivia paid off when they were able to donate \$1000.00 worth of pledges to the Youth Emergency Shelter.

In April, they raised \$500.00 for the Youth Emergency by raffling of gift certificates, t-shirts and other products from various organizations around the city. They also created a presentation, highlighting exciting events and activities at Page, for the Allen Gray Continuing Care Facility in Millwoods.

Page POWER would like to thank the staff, students and families of the J. Percy Page community for their continued support and encouragement throughout the year.

## Page POWER in Action!

Here's a look at some of the important things Page POWER members accomplished this year:

- 20 coats collected
- Over 15 boxes of books collected
- Over 1800 items collected
- Over \$1350 raised for the Youth Emergency Shelter
- Page POWER Presentations -  
Road Show  
Animation  
English/Art Projects/Ranger
- 407 kg of food collected
- Over 400 cookies baked and served
- 5 large bags of toys and teddy bears collected

*Who said being a couch potato won't get you anywhere? After winning silver medals in the Muchy Relay and the Couch Hurdles events at the Couch Potato Charity Challenge, the Page POWER Superslackers were able to donate \$1000.00 in pledges to the Edmonton Youth Emergency Shelter.*

# Band and Choir 2002-2003

Band and choir had an exciting year. These years performances included: Mill Woods Day, Remembrance Day, Winter Concert, Feeder School Lunchtime Extravaganza, Open House, Community Presentations, Spring Concert, Awards Ceremony and Grad. Both groups also attended the Mikado Opera at the Jubilee Auditorium in March. But the years crowning moment was a four day excursion to the Banff Center for the Arts. Thank you to all music students for their continuing support of the Arts at Page.

# COSMO

The Cosmo program is dedicated to entering students in the Skills Alberta Provincial competitions. This is where the Olympics of the trade begins. Students progress from the provincial level to the national level and finally to international status.

Over the past few years, and with the support of the Parent Advisory Committee, we have been fortunate to gain National status. In simple translation, we in Cosmo produce the 'best' in Canada.

This year, Meghan-Kelly Horosko won the Gold medal at the national level in the Skills Canada competition. Meghan also won top honors in Hairstyling, Secondary. She practiced diligently to produce superior results in the Ladies Day Style, Bridal, Men's Commercial and Men's Progressive categories.

Shelby Gibbons earned the Silver medal in the Junior Braiding category.

# CONSTRUCTION ZONE

Now these guys are really doing something “constructive” with their time.

# CHEER

The cheer team had a phenomenal year. This year we accomplished two goals. The cheer program included a large varsity team and a pom team. The pom team placed 1st and 2nd at every competition they went to this season. The Large Varsity Cheer Team placed 3rd at the end of the season.

The biggest accomplishment for us was going to California. Our team competed against the Americans and finished in the top 10!! Our category was the largest category in the whole competition.

This year the team worked hard, and they have set a good foundation for Page in the future.

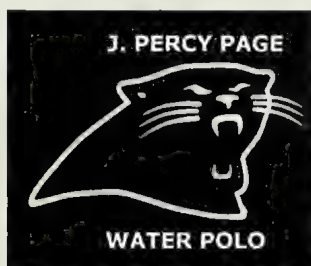

# WATERPOLO

The J Percy Page water polo team had a successful season following a one-year hiatus due to the renovations at the Millwoods Recreation Centre last spring. It was a year spent on rebuilding the team. All members were new to the sport and the students spent most of their time learning countless new skills and plays. All players showed remarkable improvement with each new game. Students faced exciting matches against Ross Sheppard, Eastglen, W.P. Wagner, and MacNally.

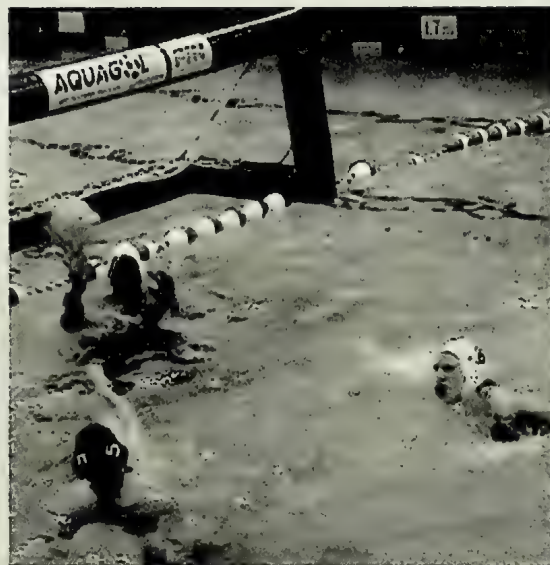

Special recognition goes out to the superior goal-tending skills of Christina Davies, as well as our leading goal-scorers Cody McRitchie and Balraj Purewal. Congratulations on a successful season and we look forward to another great year in 2004!

# SWIMMING

The swim team had a fantastic 2002 season! We had a small but enthusiastic team this year, with lots of new members. City Finals were held at the Kinsmen Sports Centre on December 4th. Everyone had fun and swam very well at the meet, with a number of top-3 finishes. Christina Davies and Kate MacDonald tied for Page Swimming MVP. Matthew Koutzun received the most improved male swimmer award, while Megan MacAulay received the most improved female swimmer award. Awards for superior attendance and effort were also presented to Charlene Purcha, Sarah McEwan, Kate MacDonald, Matthew Koutzun, Christina Davies, and Alexis Yukes.

Thanks to all those volunteers who helped us out this year; we couldn't have done it without you. We are all looking forward to next fall where we can improve our times and compete again in the pool. If you enjoy swimming, come out and join us in September 2003!

## Announcement

*The Page Swim Team performed spectacularly at the City Swimming Finals yesterday at the Kinsmen Sports Centre. Alexis Yukes placed 2nd in the 100m breaststroke, Megan MacAulay was 2nd in the 100 backstroke, Christina Davies, Chad Armstrong, and Balraj Purewal all placed 4th in their events, and there were plenty of other great swims by Page athletes, with most swimmers improving on their best times. A great time was had by all and we are looking forward to having even more swimmers for Page next fall.*

*Thanks to all of our Page volunteers. We couldn't have done it without you.*

Front Row (l to r): Diamond Edwards, Sabrina Fallon, Becky Taylor, Erin Reid, Ayesha Mohammed, Ashley Mowser.

This year could be termed a "rebuilding" year for the junior women. Coaches Mrs. Bonin and Chelsea Nypiuk gave the team strong basic skills training, and throughout the year, improvement was obvious in every game. Coach Nypiuk, a graduate of the Page Volleyball program, focused on showing the girls how much fun volleyball can be, and with a number of field trips to college games and participation in four tournaments, they learned to love the game. Many of the players from this year's team have continued to show their Panther Pride and will play for the 2003/2004 senior women's volleyball team.

Front Row (l to r): Lindsay Stone, Tina Gill, Natasha Ali, Kim Gonzalez, Paige Burlingame.

Missing: Mr Szymanski (coach), Chantal Granzberg, Mrs. Jensen (staff sponsor).

The senior girls volleyball team had a very successful season. They participated in several tournaments, the farthest away being at UBC, Vancouver. Through much hard work and determination, they finished the season with gold medals in an exciting city conference final. The team consisted of one grade 10 student and eight grade 11's, which puts them in a great starting position for next year. Good luck to our three grade 12's, Andrea Beckon, Sonia Deol and Kim Gonzalez, in their future pursuits. Special thanks to outside coaches Doug Jensen and Greg Szymanski for the hundreds of hour they dedicated to coaching this awesome group of girls.

## **Junior Girls Basketball**

Back Row (l to r): Annie Ahmed (coach), Cheryl Lafayette, Allison Wincherauk, Stephanie Potts, Ashley Dooley, Chantal Grenzberg, Jessica Bridgewater (coach), Michael Dawson (coach).  
Front Row (l to r): Diamond Edwards, Mariana Kolar, Erin Reid, Becky Taylor, Ayesha Mohammed, Ashley Rose, Pam Kostashuk.

This year's junior girls were a strong group, led by outstanding coach Annie Ahmed with the support of assistant coach Mike Dawson. They worked diligently throughout the year to develop a fantastic defense and a lightning-strike offense that made opponents shudder in their boots. For two weeks, the Junior Women were ranked on the provincial scoreboard, but sadly they couldn't pull it out at the end of the season. They fell in a very close match in the first round of the playoffs. They destroyed the competition at several tournaments, including a gold medal in Camrose, a silver in Red Deer and a bronze at the Salisbury tournament. Erin Reid was given an MVP award at all three tournaments. Other awards for the year included Diamond Edwards, who won the Camrose Hotshots competition, and Mariana Kolar, who was the team's most improved player. Well done, girls!

## **Junior Boys Basketball**

Back Row (l to r): Mr. Anderson (coach), Skyy Mussetter, Thomas Vuong, Dave Morse, Tos Ricketts, Imram Hacque, Rob Givens.  
Front Row (l to r): Chance Brown, Mike Glazier, Suki Badhesa, Cody Kennedy, Sean McClafferty, Willie Sherstabetoff.

Coach Anderson had his team running at full throttle throughout the 2002/2003 season, and it paid great dividends. His team made it all the way to the city quarter finals before falling to the perennial powerhouse, Ross Shep. His combination of hard-nosed defense and excellent passing gave the opposition fits throughout the season, and as a result of their hard work, the team was rewarded with a berth in the first-ever provincial championship tournament for Junior Men's teams. Outstanding performances from almost every player gave the Junior Men an edge in every game, and each player should be very proud of their individual and team performances. Congratulations to Mike Glazier, the team's most improved player, and Tos Ricketts, who was the team's most valuable player.

## **Senior Boys Basketball**

Back Row (l to r): Mr. Mosen (coach), Matt Ward, Thato Pilane, Javeda Ryan, Nat Swaby, Cam Burr, Chelsea Nypiuk (manager), Pam Auzula (manager).  
Front Row (l to r): Kyle Spraakman, Brian Hanson, Brian Burr, Vince Akimoyode, Dheero Govender.

This year saw the return to form of the senior men's team. Led by Cam Burr and Javeda Ryan, the team did some major damage in league play. They developed an amazing offensive scheme that confused and at times overwhelmed the opposition. Their bulldog-style defense kept the bad guys in check and often resulted in turnovers. The team made it all the way to the city semi-finals, but were unable to advance. Team member Vince Akimoyode has since been named to the Concordia Thunder lineup for 2003/2004. Congratulations to coaches Mr. Mosen and Mr. Burr, who led this team to great heights.

## **Senior Girls Basketball**

Back Row (l to r): Sonia Deol, Tannis Bolt, Lindsay Stone, Tina Gill, Andrea Beckon, Mr. Jervis (coach).  
Front Row (l to r): Kim Gonzalez, April Orr, Samira Hacque, Natasha Ali, Danya Paleniuk, Christina Davies, Anna Hastey.

Led by coach Jervis, the senior women stormed out of the gates in 2002/2003. After that, they experienced ups and downs throughout the year, and led by team MVP Anna Hastey and "Unsung hero" Samara Haque, the team placed 7th. Throughout the year, the players gained a new appreciation for the hard work required to make it to the top, and they have made valuable strides that will do nothing but help women's basketball at Page. Congratulations on a great season, girls.

# BADMINTON

The badminton team had one of the highest turnout rates of any sport at Page this year. Mr. Rowe, a student teacher who volunteered to coach the team, pulled together a very competitive group of kids. There were some strong performances at home and on the road, but the team just fell short as the city finals tournament came about. Congratulations on putting together a strong team, and demonstrating the spirit of competition throughout the season.

# RUGBY

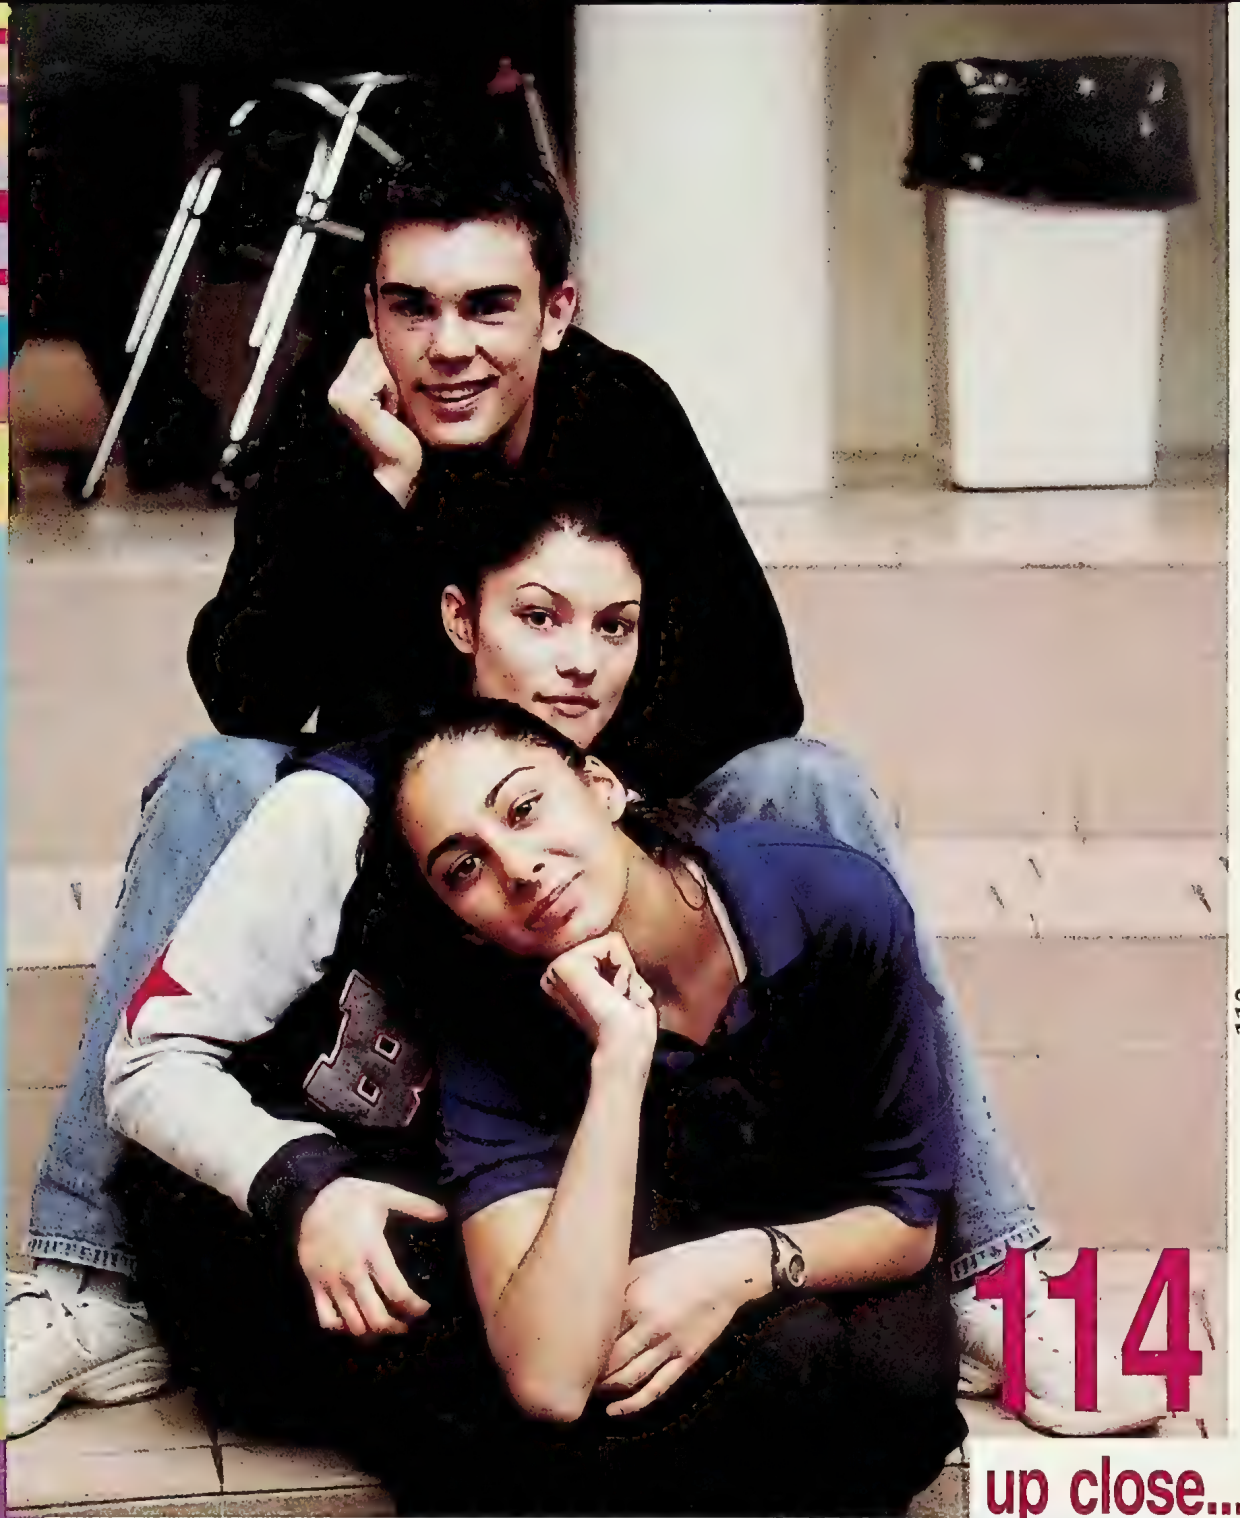

This was a rebuilding year for the rugby program, returning to Page after a one year absence. As usual, the boys were dedicated to the sport and learned a great deal about teamwork and sportsmanship. There were some outstanding surprises, including the superb leadership of Brandon Kilkenny and Norman Burgess. Add to that the surprising effort of new players like Amit Verma, a monster in the scrum, and Balraj Purewal, the most unorthodox player in the City High School league, and you have all the elements of a dangerous team. Sadly, the injury bug hit us early on, and we lost a number of players before the season began. Still, the boys showed up every game against all odds, and gave several teams a run for their money. Most importantly, the boys learned a fantastic game that will stay with them for their entire lives.

On November eighth two-thousand-two, staff, students and citizens of Mill Woods gathered in the gym to remember those who died fighting for our freedom. Several speakers spoke about their experiences and Page on Pointe preformed interpretive dances, while the English AP classes shared poems they had written. The solemn occasion helped to remind everyone of just how lucky they were.

## Grad Council Message

Welcome to J. Percy Page's 2003 commencement ceremonies. I wanted to say something inspirational, not only to those walking across the stage but to everyone. I have found a poem on the topic of success. No, not the success found in rap videos, as CEO of a major company, or driving in a brand new sports car...but the success you can find by giving just a little more of yourself to those around you.

### Success

"To laugh often and love much;  
To win the respect of intelligent persons  
And the affection of children;  
To earn the approbation of honest critics  
And endure the betrayal of false friends  
To appreciate beauty;  
To give of oneself;  
To leave the world a bit better,  
Whether by a healthy child, a garden patch  
Or a redeemed social condition  
To have played and laughed with enthusiasm  
And sung with exultation  
To know even one life has breathed easier  
Because you have lived—  
This is to have success."

I would like to take time to thank those around us who supported us through thick and thin. I would also like to show gratitude to the grad advisors, Mr. Bushewsky and Mrs. Greenhalgh, Mrs. Mah, for setting up commencement, and to my fellow grad council members: Vice President, Karla Touet, Danica Hladun-LeBlanc, Audrey McIver and Keltie Niederhaus for all their hard work and dedication.

We have come to a time in our lives where we are finally being given the opportunity to make the best of ourselves. So remember to seize every day, fulfill every dream and Live Every Moment.

## Grad Song - *Please Remember*

Time, sometimes the time just slips away  
And your left with yesterday  
Left with the memories  
I, I'll always think of you and smile  
And be happy for the time  
I had with you and me  
Though we go our separate ways  
I won't forget so don't forget  
The memories we made

Please remember, please remember  
I was there for you  
And you were there for me  
Please remember, our time together  
The time was yours and mine  
While we were wild and free  
Please remember, please remember me

Goodbye, there's just no sadder word to say  
And it's sad to walk away  
With just the memories  
Who's to know what might have been  
We'll leave behind a life and time  
I'll never know again

Please remember, please remember  
I was there for you  
And you were there for me  
And remember, please remember me

Please remember, please remember  
I was there for you  
And you were there for me  
Please remember, our time together  
The time was yours and mine  
While we were wild and free  
Please remember, please remember me

And how we laugh and how we smile  
And how this heart was yours and mine  
And how a dream was out of reach  
I stood by you, you stood by me  
We took each day and made it shine  
We wrote our names across the sky  
We ride so fast, we ride so free  
And I knew that you had me

Please remember, Please remember

## Students' Union President's Message

We stand ready at the foundation of our mountain. The path to this point has so far been fraught with twists and turns, and these will only become more common as we go on. However, the students of J. Percy Page has the advantage of attending a school that has taught us more than just the curriculum for the past year.

J. Percy Page has allowed us to live, learn and love every day within its glass walls. It is fairly safe to say that everyone will remember the moments...the talent shows, pit dancing and holiday fun. We will remain forever fond of the morning announcements, the period two pep rallies, and the delicious cafeteria food.

Notwithstanding, we will remember the people in years to come. From the teachers and staff who helped us when we needed help, to our friends who provided endless hours of fun and laughter, to those people that we spend hours with doing extra-curricular activities.

Everyone will remember the cheers for the sports teams, the incredible dancers and singers, those who put themselves up on the stage for our entertainment; the people who worked so hard for this school for the past year.

Thank you for always being enthusiastic about SU events. Thanks to the teachers who strive to help us succeed. Thanks to the council for being dedicated and wholehearted this year. Most of all, thanks to J. Percy Page for helping us to learn, grow and live all at once.

J. Percy Page has brought us this far, and it is now our responsibility to scale the mountain.
